Our YouTube Channel is full of 'How to use' videos and we are in the process of adding even more – subscribe to our YouTube Channel and never miss a thing.

PEOPLE IN BUSINESS

Each month we will introduce you to some amazing people not only from Pump House, but from the whole industry so we can get to know each other!

PRODUCT SELECTION

A supermarket must have - our market-leading British made dairy cabinet range offers an unrivalled solution to supermarket refrigeration.

People in Business: Luke Parry

Luke Parry started working for us a few months ago as an External Sales Manager covering Southern Area of UK. We asked him to tell us something about himself and this is what he said:

"I am a father of two girls aged 15 and 13. They keep me very busy and they are both awesome!

For holidays, we enjoy road trips across the USA. Our favourite part of the USA so far is New England, although California is pretty cool too!

I am keen on DIY and this takes up a lot of my time at weekends.

I have been in the cooling industry since 2004. I recently had a break from it to do something a bit different.

For the last 3 years I have been designing office interiors in virtual reality. I really enjoyed the creative part of the job.

Something people might not know about me – I studied Art at college and wanted to be an Art Critic. That didn't work out so well!

Also, I spent my youth skateboarding. Although I was quite good I did injure myself a lot. I still own a Santa Cruz deck with Slime Ball wheels but I don't get to use it too much these days."

If you would like to meet with Luke you can contact him below:

- Barbed hose tail – for easy connection of 1/2" drain hose
- Power and alarm cables pre-fitted
- High discharge head and flow rate – suitable for most applications
- Ideal for cold produce display cabinets in supermarkets and convenience stores
- One year warranty

Pump House 10th Year - Annual Fishing Event

May 17 2018

We are offering a fantastic all day fishing event for up to 100 lucky people within the refrigeration, air conditioning, boiler, heating and renewable industry.

This now annual event will take place at the fishery located in Droitwich.

Tickets are free and are on a first come first served basis

The day involves a chance to meet other people in this growing industry, breakfast, a full day on the fishing lakes, hog roast meal, prizes and the company of Pump House staff.

Any donations made on the day will go to the charity in memory of the Luke Beard fund.

Tickets are available upon request on a first come basis. Simply send an email to marketing@pumph.co.uk providing your details (your name, company name and address, phone number and email address) to confirm your places.

The rules are available to download [HERE](#).
