Annual Fishing Event - 2019 Update.....

Another success story when it comes to the annual Pump House Fishing Event hosted at Woodland View Fisheries on Wednesday 19th June 2019.

Having seen torrential rain the night before, we were sceptical of the attendance. But this industry never fails to amaze me, making me incredibly proud to be part of the team at Pump House and all the staff at woodland view fisheries for hosting yet another successful event. Gathering 80 eager fishermen and women together for this annual event was truly remarkable.

After a hearty breakfast and getting everyone booked in and pegged up, we left the competitors to enjoy a full days fishing. The weather again made an appearance and the sun peeped through the clouds to create a glimmering sparkle across the lakes, you could see what a stunning environment it was! Winners and roll of honour go to:

1. Paul Postin – 1st place (162lbs)
2. Jeff Robertshaw – 2nd Place (109lbs)
3. Barry Zimmerman – 3rd Place (107lbs)

Pump House raised an incredible £600 for 'The Maytree' a charity close to Pump House and in honour of a previous employee Luke Beard. For more information please visit: www.maytree.org.uk

A huge 'Thank You' to everyone that attended – your loyalty over the years is helping the success of this event and to also raise awareness of this fabulous charity.

We will look forward to seeing you next year!

**CANCER
RESEARCH
UK**

I have decided to run this crazy off road race for Cancer Research UK. I have seen firsthand in our family both the sadness through loss and the joys through beating cancer! I want to continue to help beat cancer and give hope and happiness to others.

Last year I completed 50KM and decided to double it this year. This crazy off road ULTRA marathon is a small sacrifice I can give back to those that really endure the race

We are so proud of you!

We are so proud of Vern Klein for completing his insane 100km challenge within 24 hours, a BIG thank you to everyone that supported and sponsored him, if you didn't there's still time visit https://www.justgiving.com/fundraising/vern-klein1?utm_id=124
