

Pro-Care

COMPLIES WITH:
BS/EN 1276 BACTERICIDE
BS/EN 1650 FUNGICIDE

Evaporator Coil Cleaner and Disinfectant

PRO-CARE

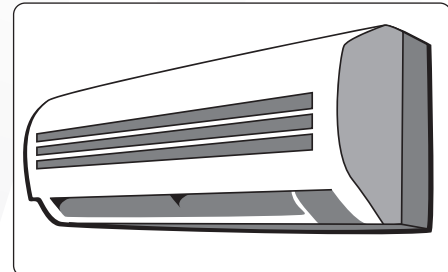

Pro-Care is an easy to use, evaporator coil cleaner and disinfectant that effectively removes soils and dirt from indoor coils to restore system performance and efficiency. Pro-Care contains a BS/EN compliant disinfectant containing both a bactericidal and fungicidal agent that will protect coils and hard, non-porous surfaces. Pro-Care, when used as directed, is effective against bacteria and fungi including:- MRSA, Legionella, Pneumophila, Pseudomonas Aeruginosa, Escherichia Coli, Escherichia Hirae, Aspergillus Niger and Candida Albicans. Pro-Care can protect coils and drain trays for up to six months.

- **Concentrated and economical evaporator coil cleaner**
- **Disinfects while cleaning**
- **No rinse formula**

INSTRUCTIONS: Wear eye and skin protection when mixing or applying product to avoid irritation. Turn off unit before cleaning. Mix 8 parts water with 1 part Pro-Care. Pro-Care should be diluted in a plastic container or low pressure sprayer and applied liberally to coil surface. Allow 5-10 minutes for solution to react and dissolve contaminants and provide initial coil protection. Pro-Care is self rinsing on evaporator coils.

MIX RATIO
8:1
 Makes 45 Litres

DEODORISING: Apply a light spray of mixed Pro-Care into the air or onto air conditioner filters to remove odours.

Corrosive

CAUTION : Sodium silicate: EC number 239-981-7

Causes burns.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

After contact with skin, wash immediately with plenty of soap and water.

Wear suitable protective clothing, gloves and eye / face protection.

Keep out of the reach of children. Avoid contact with skin and eyes.

In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).

This material and its container must be disposed of as hazardous waste.

Material Safety Data Sheet available for professional user on request.
