

Pro-Coil+

Alkaline based evaporator coil cleaner

PRO-COIL+

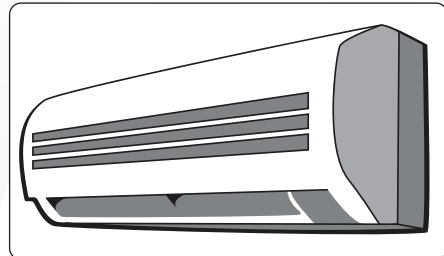

Pro-Coil+ is a heavy duty, concentrated alkaline based evaporator coil cleaner that offers excellent cleaning performance on indoor coils. Its non-rinse formula is highly effective at eliminating odours and reducing slime build-up. It is non-toxic and safe to use with condensate pumps.

- **Heavy duty formula for superior cleaning performance**
- **Non-Rinse – Non-Toxic**
- **Economical 6:1 mix ratio**
- **Safe to use with condensate pumps**
- **Eliminates odours and reduces slime in drain trays**

INSTRUCTIONS: • Wear eye or skin protection when mixing or applying solutions.

- For cleaning heavily soiled coils mix one part Pro-Coil+ to six parts water in plastic sprayer.
- For commercial units saturate coils with coarse spray with unit running if possible. If unit cannot be operated while cleaning turn the unit off. Spray coils thoroughly and allow to react for 5 minutes before resuming normal operation.
- Condensate from unit operation will flush contamination from coils. No rinsing is necessary.
- For window units, shut unit off, spray coil thoroughly and allow to react for 5-10 minutes. Resume operation.
- For additional handling and storage information, please consult the Safety Data Sheet for this product.

MIX RATIO
6:1
Makes 35 Litres

CAUTION: Irritating to eyes and skin.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

After contact with skin, wash immediately with plenty of soap and water.

Irritant

Wear suitable protective clothing, gloves and eye / face protection.

In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible). This material and its container must be disposed of as hazardous waste. Keep out of the reach of children
