

Pro-Cool

Liquid Ice Machine Cleaner

PRO-COOL

Pro-Cool is an easy to use ice machine cleaner that quickly removes soils and minerals. Pro-Cool is nickel and metal safe, odour-free, and leaves no residue to taint the ice.

- **Nickel and metal safe**
- **Odour free formula**
- **Fast, effective and economical**
- **Available in economical 5 litre and convenient 500ml bottles**

INSTRUCTIONS: Wear eye and skin protection when mixing or applying product to avoid irritation. Turn off refrigeration and circulation pump. Drain machine and refill with clean water. Add 250 ml Pro-Cool for every 12 litres of water capacity. Turn on circulation pump only and allow solution to circulate for 30 minutes. Drain solution and flush machine with fresh water. Refill with fresh water and return to operation. Use a solution of 250 ml per 3 litres of water for cleaning parts not reached by the circulating solution. Discard the ice from the first ice making cycle after the machine has been returned to service.

CAUTION : Contains phosphoric acid: EC number 231-633-2

Irritating to eyes and skin.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
