## Fixings

### Jon Boycott

joined Pump House to expand its products inventory with the introduction of fixings range.

Key items in this range include quality **British-made slotted channel, cable tray, basket tray and accessories** made in

Europe to equally high standards along with all fixtures and fittings.

Other items in the range include **concrete screws, concrete anchors, washers, nuts, plaster board fixings and screws all available in box and bag quantities.** We have produced a point of sale to make advertising our fixings range easier, it comes with 12 hanging pegs to hold a complete range of products.

So if you would like to find out more about our fixings range and prices or would like a **FREE**

**point of sale for your trade counter contact us on +44(0)115 900 5858 or e-mail [sales@pumph.co.uk](mailto:sales@pumph.co.uk)**

## Pump House supporting Nottingham Hospitals Charity

Nottingham  
Hospitals  
Charity

At the heart of your care

**Supporting Nottingham Hospitals Charity Pump House woke up on Thursday 25th of May and went back in the 80's!**

People from Pump House dressed in 80's style; Madonna met a football hooligan from the 80's in the office; fitness guru showed us all how 'not to hula hoop' and a couple of rock chicks definitely don't know yo-yoing!

Of course, Magnum Pi had to show off by wearing a T-shirt he bought from Hawaii, parking his red Ferrari outside Pump House.

This day was 100% successful and full of fun; we raised over **£460 for Nottingham Hospitals Charity** – thanks to generous donations from Ocean Air UK; Brett Critchley – Head of IT at Cooper Parry and even the ice cream van man made a donation because he liked all of our bright colourful costumes!

Because hula hooping is really tiring, we decided to treat ourselves and fill our hungry tummies with pizzas and ice creams (I think being on diet failed big time).

Thank you for all of your support  
*From all of the staff at Pump House*

## Looks like we couldn't have chosen any better day for our 9<sup>th</sup> annual fishing event!

On the previous day the rain just didn't want to stop, but as soon as we arrived at the [Woodland View Fishery](#) it all changed and we were generously welcomed by hot and sunny weather!

Around 80 people enjoyed the day which started with a full English breakfast and coffees. Afterwards the fishing match commenced, seeing plenty of competitive characters along with people who chose to take a relaxing day and enjoy the hot May weather.

It looked like we knew 'how to control' the weather – Ironically as soon as the fishing match stopped, the sky turned black like coal and massive rain drops covered all the area. Carl Fretwell from [Complete Cooling Services in Nottingham](#) was the overall winner of the fishing tournament.

This was definitely a day to remember ending with a traditional hog roast and we raised £415 for the [Maytree Sanctuary](#), in memory of our Pump House employee - Luke Beard.

Next year it will be our *10th Anniversary of our Fishing Event* and we will look forward to seeing you with us. We want to make this event better, so we would like to hear from you with suggestions on improvements and what you would like to see at this event.

So, let us know if there was anything missing or what you would like to improve and suggest.
