In Focus: Drain Gun

Come and see us on Friday 29th of September!
We will be hosting a Coffee/Cake morning at Pump House and will be fundraising for MacMillan Cancer Support.

All orders placed on the day will receive a sweet surprise within your order! (UK only)

Come along, but if you can't make it – we have created fundraising page - [click here](#)

AC Units available in stock from 19th of September!

Pump House Portable Air Conditioning - In Stock!

This portable air conditioner is suitable for offices, computer rooms and light commercial use. It is also ideal for cooling flats, conservatories or loft conversions during hot summer months.

The heat pump model can also be used as an energy efficient form of heating during the cold winter months.

- Meets EN14511 standard & EU commission regulation 206/2012
- No pump required - self evaporating condensate
- LED display and remote control (both models)
- Flexible exhaust hose - 1.5m (both models)
- Proven well-tested designs
- Suitable for areas up to 26m²
- R410A Refrigerant

Keep it Simple - with DiversiTech Chemicals!

Pro-Universal – 5 Litre

Pro-Universal™ is an NSF food safe registered universal indoor and outdoor coil cleaner, which not only cleans very effectively but also has no detrimental effect on the coils themselves.

Pro-Universal features a special inhibitor that prevents the cleaner from attacking delicate fins. Instead, it concentrates solely on actively breaking down soil and dirt. It is a non foaming, self rinsing product that not only is coil friendly but is safer for both the user and the environment than many traditional foaming coil cleaners.

Features:

- NSF Registered as food safe
- Non-foaming & Non-corrosive
- Economical & Effective
- Provides on-going protection for the coil
- Mix Ratio – Indoor 10:1 / Outdoor 6:1

• **Available in 2 versions:**

- a) 5 Litre Concentrated Coil Cleaner
- b) 1 Litre Pre-Mixed Trigger Pack

Pro-Green – 5 Litre

Pro-Green is an environmentally friendly indoor and outdoor coil cleaner. This product uses bio-degradable, earth-friendly components to quickly clean away dirt and deposits.

This formula delivers outstanding cleaning performance for both indoor and outdoor coils and is safe for all metals and roofing materials. Pro-Green+ removes dirt and stubborn build-up from coils to restore their appearance and performance. This product also cleans while protecting the environment from harsh chemicals.

Features:

- Made from earth friendly components
- Effective on indoor / outdoor coils
- Non-toxic & non-corrosive
- Pleasant citrus scent
- Mix Ratio – Condensers 3:1 / Evaporators 6:1

• **Available in 2 versions:**

- a) 5 Litre Concentrated Coil Cleaner
- b) 1 Litre Pre-Mixed Trigger Pack
