People in Business: Leona Murray

Our latest addition to the External Sales Team is **Leona Murray** – a lady who has a black Karate belt!

Leona is very enthusiastic and full of positive energy; before she took the opportunity with us she worked in the world of A/C installations, surveying sites and quoting for A/C works. Her experience includes working for an A/C manufacturer.

She has brought to Pump House not just her lively spirit, but also more than 23 years of experience! She also loves the great outdoors with her husband and Baby Boy (who is 21) and enjoys walking, especially if there is a refreshing G&T at the end of it.

We also asked her about her Karate hobby, and this is what she said: "I've attained Black belt level, but still lots to learn and train towards.

*"The belt comes in handy for
holding up my trousers..."*

Leona is looking after Scotland area, so if you require any assistance with products and would like to meet her – you can contact her below:
