

Quick-Sling

Quick Sling® Stands

Quick Sling stands offer light and easy-assembly support for outdoor a/c condensing units and heat pumps. Ideal for raising the condensing unit height in surface installations. The elevated height allows for ease of installation, maintenance and service. Available in three height options.

Features

- Flat-packed for easy handling, transport and storage
- Quick and easy to assemble
- Adjustable to suit outdoor units with fixing feet centres up to 700mm (L) and 430mm (W)
- Each 150mm square foot is height adjustable (up to 30mm) to accommodate uneven surfaces
- Includes anti-vibration mounting bolts
- Epoxy powder coated finish

Code	Description	Length mm	Width mm	Height mm	Safe Working Load	Weight
