

PRO-COOL-GB LIQUID ICE MACHINE CLEANER

Pro-Cool is an easy to use ice machine cleaner that quickly removes soils and minerals. Pro-Cool is nickel and metal safe, odour-free, and leaves no residue to taint the ice.

**ICE
MACHINE**

▶ **5L**

▶ **500ml**

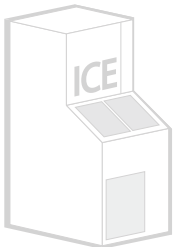

MIX RATIO

**250ml
Pro-Cool
to 12L water**

CONCENTRATED

FEATURES

- Non-corrosive to nickel and stainless alloys
- Odour-free
- Fast and effective

INSTRUCTIONS

Wear eye and skin protection when mixing or applying product to avoid irritation. Turn off refrigeration and circulation pump. Drain machine and refill with clean water. Add 250 ml Pro-Cool for every 12 litres of water capacity. Turn on circulation pump only and allow solution to circulate for 30 minutes. Drain solution and flush machine with fresh water. Refill with fresh water and return to operation. Use a solution of 250 ml per 3 litres of water for cleaning parts not reached by the circulating solution. Discard the ice from the first ice making cycle after the machine has been returned to service.

SAFETY

CONTAINS: Phosphoric acid: EC number 231-633-2 and Sulphamic acid: number 226-218-8

EC

DANGER! Causes severe skin burns and eye damage. May be corrosive to metals. Keep out of reach of children. Read label before use. Do not breathe mist, vapours, or spray. Wear rubber, nitrile or neoprene protective gloves and clothing, and safety goggles or face shield to protect eyes and face. Store locked up and in a plastic container or one with a resistant inner liner. Dispose of contents and container to appropriate facility in accordance with international and local regulations. Keep only in original container. Absorb spillage to prevent material damage.

FIRST AID: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting, immediately call your National Poison Centre information service or a doctor. For additional information, consult the Safety Data Sheet (SDS). **IF ON SKIN (or hair):** Remove immediately all contaminated clothing. Rinse SKIN with water or shower for a minimum of fifteen minutes. Immediately call your National Poison Centre information service or a doctor. Wash contaminated clothing before reuse. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call your National Poison Centre information service or a doctor.

Suitable extinguishing media for the surrounding fire should be used.

See Safety Data Sheet for further details regarding safe use of this product.
