FEATURES

- Non-toxic and non-corrosive
- Effective on indoor and outdoor coils
- Readily biodegradable
- Metal safe and non-corrosive

INSTRUCTIONS

Wear eye and skin protection when mixing or applying product to avoid irritation. Turn off unit before cleaning. For condenser coils: mix 3 parts water with 1 part Pro-Green+™. For evaporator coils: mix 6 parts water with 1 part Pro-Green+™. Spray product onto coils. For best results, begin spraying at the bottom of the coil and work upwards, then re-wet the entire coil. Allow the product to penetrate and lift soil for 5-10 minutes then rinse condensers coils thoroughly with water. Evaporator coils may be rinsed if the condensate does not thoroughly flush the soil and cleaning product from the coil. Return the system to service.

SAFETY

WARNING! Causes mild skin irritation. Causes eye irritation. Keep out of reach of children. Read label before use. Wash hands thoroughly after handling.

FIRST AID: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. If symptoms develop, obtain medical attention. **IF ON SKIN:** Flush affected area with water for 15 minutes or until skin no longer feels slick. If skin irritation occurs: Get medical attention. **IF INHALED:** Remove person to fresh air. If unconscious or if breathing does not return to normal within a few minutes, contact a physician immediately. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

Suitable extinguishing media for the surrounding fire should be used.

See Safety Data Sheet for further details regarding safe use of this product.
